

Communication

Communication

Suggested Speaking Roles

- Nandhini.M — introduction and closing.
- Amrin.J — registration, login and security.
- Pooja Shri.R — Home and Party planners.
- Yakshitha.M — Jewelry planner, history and future work.

Key Communication Points

- One application provides three budget planners.
- AI output is structured so recommendations, links and history can be handled consistently.
- Authentication protects private pages.
- The project documents its current limitations and future improvements.
